

HEALTHCARE CHANGES ARE COMING. ARE YOU READY?

Source: spacecostdaily.com

We can help you prepare for the changing landscape of healthcare delivery and payment – and put you on a path to success.

The **Great Lakes Practice Transformation Network** is part of a national effort to help health care professionals – from doctors and nurses to social workers and pharmacists – coordinate care, lower costs, and improve the health of American citizens. Join GLPTN today to transition your practice to a **value-based model of care**.

Our dedicated **on-demand Quality Improvement Advisors (QIAs)** will be on-site to help you:

- Enhance your participation in **PQRS**
- Establish a chronic care management program and set up **billable care coordination** and transitional care services based on new Medicare codes
- Understand and prepare for upcoming **MIPS 2019** reimbursement changes
- Exclusive access to **free CME** and other opportunities through **Support & Alignment Networks (SANs)**
